SPECIAL NOTICE

TO THE RELIGIOUS WHO ARE IN CHARGE OF THE SALE OF COMMUNION GOODS

For many years now we have specialized in the supplying of Communion articles, and to those placing their orders for Communion goods with us, we have given VALUABLE PREMIUMS.

You may be interested to learn how you can earn these premiums. Our proposition is this—Each School that favors us with their Communion order (providing the order amounts to $50.00) receives one of these beautiful PREMIUMS, FREE OF CHARGE. If the order is less than $50.00, we keep a record of the amount and add it to the sale of the following year. Just as soon as the total sale is $50.00 the customer is entitled to a premium. We do not give more than one premium to a School even if the order is several hundred dollars, as naturally some of the larger Schools must help defray the expense of premiums for the smaller Schools.

Our Communion goods are not priced any higher than those of other Supply Houses, but on the contrary ARE GUARANTEED TO BE AS LOW OR LOWER. The reason we say this is that since we specialize in the supplying of Communion classes, we buy in such large quantities that our costs are bound to be lower, therefore, we can give you the benefit of our lower costs and sell at prices below those of our competitors.

Opposite this page you will find illustrations of some of the premiums we offer. A great many Sisters have beautified their Chapel with the many premiums they received from us, such as Stations, Pedestals, Crucifixes, etc. Others use these premiums to raffle or sell chances on them, and in this way derive substantial amounts for the benefit of the School, Church, or Chapel. We cannot show all the premiums that may be obtained, but the illustrations on the reverse side will give you a fair idea of what you may expect.

The premium can be sent to you any time you wish to have it, after you have definitely assured us of your order. This will enable you to make use of the premium during the balance of the School year.

If you have not ordered your Communion goods from us in the past, give us a trial and we are sure that your name will also be added to our long list of satisfied customers.

We publish this SPECIAL COMMUNION CATALOG each Spring, and it is mailed to the Sisters and Priests throughout the United States. You will find that it contains a most complete assortment of everything used for the First Communicant, such as Prayer-books, Rosaries, Scapulars, Communion Sets, Souvenir Pins or Brooches, Scapular Medals, Candles, Candle Drip Protectors, Candlesticks, Communion Certificates, Veils, Diadems, Buttonhole Bouquets, Arm Bands, Ties, Collars, etc.

We SEND COMMUNION ARTICLES ON SALE, and allow the return of any articles remaining unsold. This is a great convenience, because you will not be obliged to carry stock of these articles from year to year. Send for SAMPLES of any articles you wish to inspect, or compare, before ordering your supply.

RETURN TO DESIGN DIV.

WHEN ORDERING YOUR COMMUNION SUPPLIES

You may go through the catalog and order samples of any articles you think the children might be interested in. When these samples arrive you may take the orders from the children, and mail the entire order to us. Always specify the dates of when you would like to have these Communion samples and also the date of your First Communion.

Every article that is sent will have a tag attached with the stock number, and the memorandum invoice that will accompany the goods will show the net wholesale price, or your cost.

Because Communion supplies represent a special department, it will facilitate matters if you will use our special order blank in the rear section of this catalog. Use this order blank for Communion supplies only, and use the post cards or a separate sheet for other supplies.

Please do not send your remittance when returning unsold goods for credit but wait until you receive your Credit Memorandum and complete statement.

TO ESTABLISH RETAIL PRICES FOR THE SALE OF COMMUNION ARTICLES

Our customers add from 25 to 50% to the wholesale price, to establish the retail selling price. In other words, an article that costs you $1.00, is sold to the children at $1.25 or $1.50, whichever you prefer. There is no definite or set rule in reference to establishing the retail price, therefore, you may use your own judgment.

Our stock consists of MERCHANDISE OF THE HIGHEST QUALITY, which is sold at the LOWEST POSSIBLE PRICES. Every article is EXACTLY AS ADVERTISED and illustrated. All orders are given PROMPT ATTENTION and guaranteed to ARRIVE SAFELY. Our service is beyond criticism.

If you have not ordered your Communion goods from us in the past, be sure to GIVE OUR HOUSE A TRIAL ORER this year, and inform us which premium would interest you most, and we are sure that you will always order your Communion goods from us in the future. We earnestly SOLICIT YOUR FIRST ORDER, and you may rest assured that we will do everything possible to please you, to merit your confidence, and retain you as a permanent customer. In order to uphold our reputation for low prices which necessitates saving on traveling expenses, our salesmen do not cover a large portion of the country, and therefore, we solicit your order by mail.

Even if the Communion class has not been selected, we will appreciate to have you notify us on the order blank THAT WE WILL RECEIVE YOUR ORDER later on. We will then file your tentative order until we receive detailed information from you regarding the size of your class, the date of First Communion, etc. Order the goods early enough so that it may be displayed, and the children will have ample time to make their selection.

To those Priests and Sisters who have been ordering their Communion supplies from us in the past, we wish to extend our sincerest thanks for their patronage. We feel confident that you will again place your order with us at an early date.

Those Priests and Sisters who have in the past not handled Communion goods for the children, we earnestly urge them to do so this year.

Your profit, or the difference between the wholesale price at which the goods are billed to you, and the retail price which the children pay, runs into considerable money, especially when there is a large class. You will find this profit very helpful to buy necessary supplies for poor children, for the School or Convent, and besides you will be entitled to one of our fine premiums. This will also enable you to have uniform veils and other supplies for the entire class.

Our method of sending Communion articles and our established custom of giving beautiful premiums entirely free of charge, has met with universal approval and satisfaction, and we sincerely hope that we may add many readers of this message to our large list of satisfied customers.

Entrust your entire Communion order to us, and you will not need any encouragement to place future orders with us.

Please do not cut out illustrations—order by number.

USE THE ORDER BLANK ON THE LAST PAGE OF THIS CATALOG.

IMPORTANT

In order to make it possible for us to maintain our traditionally low wholesale prices we ask that, instead of sending us small orders daily, you accumulate your orders until they amount to at least $2.00. The increased costs of labor for handling, billing, shipping, etc., make this request necessary. The shipping of a small order involves just as much detail, handling, and clerical expense, shipping labor, etc., as a large one, and the smallest order, therefore, which we can fill and avoid loss in handling is $2.00. On all orders of less than $2.00 a handling charge of 25c per order will be made.

The cap is made of net, has three rows of tucks and is faced with well designed stiff lace, edged with net pleating. Ribbon rosettes and lilies are placed on either side where veil joins the cap. This new pleated edge, in our opinion, makes the finest trimming ever used on a veil. A fancy elastic crown holds the veil in place.

ORDER SAMPLES OF THE NEW IMPROVED BINDINGS AT THE NEW LOWER PRICES

THE NEW IMPROVED 1946 EDITION

The First Communion prayerbook actually planned from beginning to end to meet the needs and capacities of First Communicants—

- All the prayers in language the child can understand.
- Prayers in conformity with the wording of the new revised Baltimore Catechism.
- Sense lines, instead of page lines.
- Vocabulary that has been checked against standard word lists.
- Simplified liturgical and traditional prayers to meet the mind range of a small child.
- Beautiful illustrations—some in offset colors—specially made for this book.

WELCOME, JESUS is definitely not an adult prayer book in a fancy binding; it is entirely adapted to the mind and the heart of the youngster. Everything about it . . . vocabulary, length of prayers, illustrations, arrangement of sentences, the absence of italic . . . has been designed by experts to make possible a First Communion prayer book which will really make a devotional contribution to that greatest of all days in the life of a child, his First Communion day.

THE NEW

Kant-Tangle Rosary

IT WILL NOT TANGLE

Originated and designed by the Very Reverend James McNamee. The rosary is in the form of a circle with the crucifix within the ring—in no way disturbing the customary order of the beads. So designed it will not knot or tangle—makes it easier to ascertain direction—minimizes breakage of chain. The Kant-Tangle Rosary is sanctioned, approved and used by clergy and laity throughout the country.

Catholic baby book, a delightful collection of drawings and memories. Each page is a picture in itself, so real are the sketches which are lithographed in beautiful colors. Suitable for either boys or girls, this book will delight any mother's heart. Cuddly, bright and gay babies, angels, roses, Our Lady, and many other entrancing subjects fill its pages. From the family tree, through birth, Baptism, the first Christmas, prayers, birthdays, first Confession, Holy Communion, and Confirmation, as well as the other usual "firsts," the baby goes merrily on, growing in age and grace—right into the hearts of those who will read and see the record.

It is the answer to "a gift for the baby," "a gift for the mother," "a Catholic gift." Bound in sturdy board cover with special concealed plastic binding. Size 7 x 10 inches. Boxed, each **$1.20**

- One "Zip" to open and one "Zip" to close
- Perfect safety for Blessed Sacrament

The "zipper" is a feature not found on any other burse. We originated the idea, and we find that every priest and church authorities approve of it. The cord is heavy and strong, and attached to the burse in such a way that it cannot come off.
